

Celebrating 40 years of providing world-class care.

Conveniently located in New Canaan, Connecticut, Waveny provides a comprehensive continuum of healthcare options to serve older adults from all areas. Committed to offering therapeutic resources to meet the growing needs and changing preferences of seniors and their families, Waveny offers an array of world-class eldercare choices ranging from residential options to outpatient programs and community-based services. Like a river, Waveny's continuum of person-centered care flows fluidly within a single non-profit organization, without any expensive buy-in fees or long-term commitments.

Gracious Retirement Living

Just a stone's throw from New Canaan's vibrant town center, **The Inn** offers independent living in a charming retirement community. Wonderful benefits and amenities are included in a monthly rental fee.

Assisted Living with Therapeutic Memory Care

Featuring its award-winning indoor "Main Street" replica of a quaint New England town, **The Village at Waveny** is specifically designed to provide therapeutic benefits for memory impaired seniors, and serves as a benchmark of excellence worldwide. A licensed nurse and certified nursing assistants are always on site, dedicated to making each day a special one. The Village also welcomes respite guests for short-term stays lasting a week or longer.

Skilled Nursing at its Best

5-star rated and repeatedly named among the nation's top nursing homes, **Waveny Care Center** is a skilled nursing and rehabilitation facility that offers both short- and long-term care. Since 1975, the Care Center has provided quality care with a person-centered philosophy and a highly experienced, compassionate staff. Inpatient and outpatient rehabilitation services feature expert therapists and state-of-the-art equipment.

In Good Company, Five Days a Week

Waveny's **Adult Day Program** is dedicated to improving the quality of life for older adults in the community who may require personal assistance, more social interaction or medical monitoring throughout the day. The program is available weekdays with flexible hours and free transportation from New Canaan, Darien, Norwalk, Stamford, Wilton and other surrounding areas.

On-site Outpatient Eldercare Programs

Whether following an inpatient stay or aiding in the recovery from an injury, illness or medical condition, Waveny's **Outpatient Rehabilitation Services** are available to everyone. In addition to core physical, occupational and speech therapies, we provide therapeutic massage, nutritional counseling and more.

On an outpatient basis, the **Brown Geriatric Evaluation Clinic** addresses common – but often complex – medical issues in older adults, especially memory loss. The Clinic provides comprehensive assessments and ongoing management to review each patient's cognitive, psychological, social, medical, functional and caregiver status.

Community Based Services

Waveny Home Healthcare and **Waveny at Home** provide a range of licensed and certified professional therapies and services delivered right to your door. If you live in lower Fairfield County, you can receive physical, occupational, speech and cognitive therapies as well as skilled nursing care, home health assistance, companion care, homemaker services or **Geriatric Care Management**. It's compassionate personal care with no need to travel.
