

Our campaign to  
Build the  
Future of Care

Waveny

### Why Your Support Matters...

As people live longer and hospitals discharge patients sooner, the need for high-quality, local rehabilitation and skilled nursing care has outpaced capacity – leaving too many adults waiting to begin their recovery and families without timely options close to home. At Waveny LifeCare Network, demand already exceeds available beds and only a fraction of rehabilitation referrals can be accepted. At the same time, a growing shortage of healthcare workers threatens the future of compassionate, skilled care.

Waveny's Campaign to Build the Future of Care is a direct response to this need – an investment to expand rehabilitation capacity and services, strengthen the caregiver workforce, and ensure that no one is denied care due to financial limitations. By raising \$15+ million, Waveny will not only meet today's urgent needs, but also help secure compassionate care for generations to come—ensuring that every individual can heal, age with dignity, and remain connected to the community they call home.

# Help Build the Future of Care

**With Your Support...** Our community investment will expand access to care through a new 40,000-square-foot, state-of-the-art short-term rehabilitation facility, strengthen Connecticut's healthcare workforce through Waveny's Kathleen M. Fruin RN Certified Nursing Aide School, and ensure lifelong care for residents who outlive their financial resources.

## Build the New Waveny Center

Increase capacity to serve an additional 400+ patients per year through a state-of-the-art short-term rehabilitation facility.

## Strengthen the Nursing School

Prepare the next generation of nursing assistants to address the critical workforce shortage and meet growing demand for care in our community.

## Ensure Compassionate Care

Help bridge the financial gap for those who have outlived their resources while in our care.

### WAVENY LIFECARE NETWORK

*Committed to our community for over 50 years as a trusted nonprofit, Waveny LifeCare Network provides the highest quality care in independent, assisted, and memory care living, at-home and in-patient short-term physical rehabilitation, therapy and nursing care, hospice and everything in between.*

## Our Campaign to Build the Future of Care

**CAMPAIGN GOAL: \$15+ MILLION**

Your donation directly contributes to:

### BUILD

*A new 40,000-square-foot  
Short-Term Rehabilitation Facility*

- Capacity to serve 400+ additional patients each year
- 30 private patient rooms
- Enhanced patient therapy services

### CARE

*Strengthening the Kathleen M. Fruin RN  
Certified Nursing Aide School*

- Tuition-free, “earn-as-you-learn” training model
- 50 new caregivers trained annually
- 400 hours of training, four times the state requirement

### PROTECT

*Sustaining Waveny’s commitment to lifelong  
care through our Community Care Fund*

- Financial support for residents who outlive their resources
- Ensuring continued access to compassionate care regardless of financial circumstance

Our campaign to  
Build the   
Future of Care

Together, with your support we will increase access and service to 400+ additional patients each year, increase caregiver workforce, and support those who need us most. We invite you to be part of an important new chapter for Waveny and the community we serve.
